

Remind Sign Up for Parents

Want to get text messages or emails from your student's teachers? Sign up for **REMIND**.

Many of our teachers use REMIND to well, remind, parents of deadlines or upcoming events in their students' classes or at their school.

Once you have the class codes for your teacher(s) and school, go to www.remind.com. Click the "I'm a student or parent" button and enter the class code when prompted.

You'll be able to choose communication via text messages (standard text messaging fees apply) or email from the teacher or school. No teacher will ever see your phone number or email account.

If you wish to unsubscribe from REMIND messages-
Email-reply to a Remind message with "UNSUBSCRIBE" in the subject field.

Text-reply "unsubscribe@____" enter the class code in the blank.

Just like **Schoology**, there is an **APP** for **Remind**.
